

Albertsons Companies 401(k) Plan Plan Features & Highlights

Plan Provisions	Description
Eligibility	You are immediately eligible to participate in the Plan if you are at least 21 years of age and part of an eligible group of employees as defined by the Plan. Refer to the Summary Plan Description for detailed information.
Your Contributions	<p>You can contribute from 1% to 75% of your eligible base pay as pre-tax or Roth contributions, or a combination, up to the annual IRS dollar limits.</p> <p>A Roth contribution to your Plan allows you to make after-tax contributions and take any associated earnings completely tax-free at retirement, as long as the distribution is a qualified one. A qualified distribution, in this case, is one that is taken at least five tax years after your first Roth 401(k) contribution and after you have attained age 59½, or become disabled or die.</p> <p>If you have reached age 50 or will reach 50 during the calendar year January 1– December 31 and are making the maximum plan or IRS pre-tax contribution, you may make an additional “catch-up” contribution each pay period.</p>
Contribution Limits	Annual 401(k) plan contribution limits, including catch-up contribution limits, are available at www.irs.gov .
Enrollment	You can enroll on Fidelity NetBenefits® at www.netbenefits.com or call a Fidelity representative at 866-956-3433. To use the EasyEnroll feature and enroll in the Plan in just 60 seconds, go to www.netbenefits.com/easy .
Employer Matching Contributions	<p>Albertsons Companies may make an annual discretionary matching contribution to your Plan account. You may receive a percentage of each dollar you contribute up to 7% of eligible pay. Details are provided each year.</p> <p>You are eligible to receive the matching contribution after completing 1000 hours of service as of your one-year anniversary or as of the end of the next plan year. You must also be employed at the end of each plan year. Some exceptions apply; refer to the Summary Plan Description (SPD) for details.</p> <p>Only contributions made AFTER meeting match requirements are eligible to receive a match contribution.</p> <p>Unions employees may be subject to an alternative matching contribution formula. Please see your union representative for details.</p>

Vesting

You are always 100% vested in your own contributions and earnings. You become vested in employer matching contributions based upon years of service (1,000 hours each year).

Years of Service	% Vested
0-2 years	0%
2-3 years	50%
3 or more years	100%

Please note, union employees may be subject to a different vesting schedule and should check with your union representative for details.
