

We care You make a difference!

The Foundation, operating at a corporate level as well as under our different store banners, is a public charity to benefit the employees and neighborhoods we serve. "We Care" funds not only support our community organizations but to also assist our co-workers who may be experiencing financial emergencies. 100% of all employee contributions are donated directly to non-profit organizations and employees.

By donating to your Division's Foundation, you'll be joining thousands of your co-workers in making a difference in our neighborhoods. Your contribution is fully tax-deductible. Simply complete the information below to begin weekly payroll deductions. For more information about our Foundation visit albertsonscorporationsfoundation.org.

Online Enrollment Instructions

1) Log on to the SharePoint portal and select the blue Direct2HR icon under the slider.

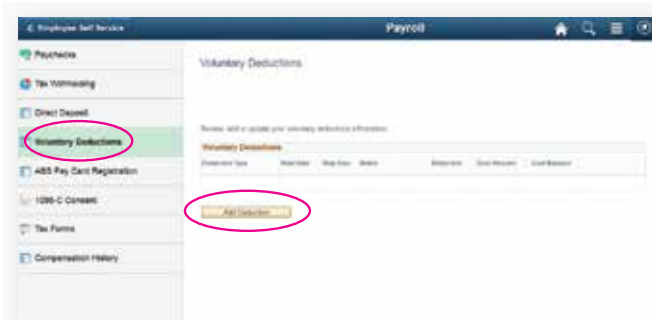

2) Log in to Direct2HR portal.
