Albertsons Companies Pregnancy Leave for Hawaii Associates

When you are unable to work due to your own pregnancy, you may be eligible for job protection under FMLA and HI HFLL. Your income may be replaced by various programs available to you.

Under HI TDI, associates taking a pregnancy or childbirth related leave are entitled to up to 26 weeks of paid leave with an unpaid 7-day waiting period.

HI HFLL gives you the right to take up to 4 weeks of unpaid parental or bonding leave in Hawaii in any calendar year.

You can take 4 weeks all at once immediately after the birth, or you can take the time in smaller segments throughout the first year of the baby's life.
