

Your partner for top-rated surgery care

Transcarent is your dedicated partner for some knee, hip, shoulder, spine, and bariatric surgeries.* Let Transcarent take care of the details and get you the result you want—all at **little-to-no-cost to you.****

Why choose Transcarent for your surgery care?

Top-rated surgeons

Going to a surgeon who specializes in your condition helps to ensure you get the best possible result.

Coordinated care

Your personal Care Coordinator will make all the arrangements, keeping you informed at every step.

Affordable care

Albertsons Companies covers 100% of your costs.**

*As of January 1, 2024, your spine, knee, hip, shoulder, or bariatric surgery may only be covered when accessed through Transcarent. Some exceptions apply for members in Boise, ID and Lubbock TX where we are still developing our best-in-class provider network. If you have questions, please contact your Care Coordinator. Failure to schedule your surgery with Transcarent (or obtain a waiver for members in Boise, ID or Lubbock, TX) may result in a financial penalty by your employer.

**If you're enrolled in either the EPO or PPO plans, you pay nothing out-of-pocket. If you're enrolled in an HSA plan, you pay nothing once you meet your deductible.

Understanding your Surgery Care benefit

Your Personal Care Coordinator	From answering your questions to scheduling and paperwork, we've got you covered. Your Care Coordinator manages the entire surgery process, while keeping you informed and in charge at every step.
Your Coverage	EPO & PPO Plans Surgery costs are covered at 100%. There is no deductible or coinsurance when you choose a Transcarent provider. HSA Plan Surgery costs are covered at 100% after you meet your deductible. There is no coinsurance when you choose your provider through Transcarent. We'll coordinate with your health plan to verify any remaining deductible amount prior to surgery.
What's Included	Surgery costs paid through Transcarent include: <ul style="list-style-type: none">• Preoperative surgeon appointment• Surgery (all facility, anesthesia, surgical staff, and surgeon charges)• In-patient services, if a hospital stay is required• Postoperative surgeon appointment Medical expenses that occur before your first and last surgery appointment will be covered under the usual terms of your health plan.
If Travel is Required	If travel of over 100 miles (one way) from your primary residence is required to get you to a top surgeon for your procedure, we'll pay the travel expenses for you and a companion, including: <ul style="list-style-type: none">• Airfare• Lodging (one double occupancy room)• Meals and incidentals allowance:<ul style="list-style-type: none">– \$50 per day for the patient when not admitted (days 1-14)– \$50 per day for a companion (days 1-14)– \$125 per week per person after 14 days (days 15+) To receive this benefit, airfare and lodging must be arranged by your Care Coordinator. Any travel companion must be at least 18 years of age. You'll receive a payroll check to cover your meals and incidentals incurred during this period.
Covered Surgical Procedures	Bariatric*, Cancer, Orthopedic*, Women's Health, General, Vascular, Cardiac, Neurological, and Spine* surgeries are fully covered. *As of January 1, 2024, your spine, knee, hip, shoulder, or bariatric surgery may only be covered when accessed through Transcarent. Some exceptions apply for members in Boise, ID and Lubbock TX where we are still developing our best-in-class provider network. If you have questions, please contact your Care Coordinator. Failure to schedule your surgery with Transcarent (or obtain a waiver for members in Boise, ID or Lubbock, TX) may result in a financial penalty by your employer.
