

Lose Associate and/or Dependent Coverage Due to Change in Employment Status or Dependent Turns Age 26

UPDATED 04-10-2025

Losing associate and/or dependent coverage under the Albertsons Companies plan(s) due to a change in employment status or dependent turning age 26 is a qualifying life event allowing you to make certain benefit changes that are consistent with the event. Two main scenarios can trigger this qualifying life event:

- You (and your dependent(s)) currently participate under the Albertson Companies plan(s), and your employment status with Albertsons Companies changes so that you are no longer eligible for associate coverage and/or for covering your dependent(s).
- You and/or your dependent(s) currently participate under the Albertson Companies plan(s), and you and/or your dependent(s) gain access to other group health coverage due to a change in employment status or a dependent loses coverage due to turning age 26.

In both cases, you have **31 days** from the date of the qualifying life event to enroll in or make changes to your benefits. Note that the date of your and/or your dependents' change in employment status counts as the first day in determining the 31-day deadline.

To report the life event, access the online enrollment system:

1. Sign in to your account at myACI.albertsons.com.
2. From the **Me** tab, choose the **Benefits** tile.
3. Choose the **Report a Life Event or Update HSA Contribution Amount** tile.

If you have any questions, please call the Associate Experience Center at **888-255-2269**.

You may be required to submit proof of the change in employment status for the other group health coverage. Submit copies of all documents, including name, Associate ID, last four digits of SSN and phone number on the cover page of your submission via the following options:

- Upload using the online enrollment system at myACI.Albertsons.com
- Mail to:
Benefits Service Center
6081 Tennyson Pkwy, Suite 300
Plano, TX 75024
