

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. Note: Information about the cost of the [plan](#) (called the [contribution](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <https://members.bcidaho.com/my-account/my-account-my-contract.page>. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [cost sharing](#), [copayment](#), [deductible](#), [provider](#), or other [underlined](#) terms see the Glossary. Important Questions	Answers	Why This Matters
What is the overall <a href="#">Deductible</a> ?	<a href="#">In-Network</a> \$750 person/family is a max of 3. <a href="#">Out-of-Network</a> \$1,500 person/family is a max of 3.	Generally, you must pay all of the costs from <a href="#">Provider</a> s up to the <a href="#">Deductible</a> amount before this <a href="#">Plan</a> begins to pay. If you have other family members on the <a href="#">Plan</a> , each family member must meet their own individual <a href="#">Deductible</a> until the total amount of <a href="#">Deductible</a> expenses paid by all family members meets the overall family <a href="#">Deductible</a> .
Are there services covered before you meet your <a href="#">Deductible</a> ?	Yes. Rx drugs, <a href="#">Copay</a> , and emergency room services or <a href="#">In-Network Preventive Care</a> are covered before you meet your <a href="#">Deductible</a> .	This <a href="#">Plan</a> covers some items and services even if you haven't yet met the <a href="#">Deductible</a> amount. But a <a href="#">Copayment</a> or <a href="#">Cost Sharing</a> may apply. For example, this <a href="#">Plan</a> covers certain <a href="#">Preventive Services</a> without <a href="#">Cost Sharing</a> and before you meet your <a href="#">Deductible</a> . See a list of covered <a href="#">Preventive Services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">Deductibles</a> for specific services ?	No. There are no other specific <a href="#">Deductibles</a> .	You don't have to meet <a href="#">Deductibles</a> for specific services.
What is the <a href="#">Out-of-pocket Limit</a> for this <a href="#">Plan</a> ?	For <a href="#">In-Network Provider</a> \$9,000 family For <a href="#">Out-of-Network Provider</a> \$17,000 family For <a href="#">Prescription Drugs</a> \$6,700 family	The <a href="#">Out-of-pocket Limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">Plan</a> , the overall family <a href="#">Out-of-pocket Limit</a> must be met.
What is not included in the <a href="#">Out-of-pocket Limit</a> ?	Contributions, <a href="#">Balance-Billing</a> charges and health care this <a href="#">Plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">Out-of-pocket Limit</a> .
Will you pay less if you use a <a href="#">Network Provider</a> ?	Yes. See <a href="http://www.bcidaho.com">www.bcidaho.com</a> or call 1-855-854-1412 or 208-985-1968 for a list of <a href="#">Network Providers</a> .	This <a href="#">Plan</a> uses a <a href="#">Provider Network</a> . You will pay less if you use a <a href="#">Provider</a> in the <a href="#">Plan</a> 's <a href="#">Network</a> . You will pay the most if you use an <a href="#">Out-of-Network Provider</a> , and you might receive a bill from a <a href="#">Provider</a> for the difference between the <a href="#">Provider</a> 's charge and what your <a href="#">Plan</a> pays ( <a href="#">Balance Billing</a> ). Be aware your <a href="#">Network Provider</a> might use an <a href="#">Out-of-Network Provider</a> for some services (such as lab work). Check with your <a href="#">Provider</a> before you get services.
Do you need a <a href="#">Referral</a> to see a <a href="#">Specialist</a> ?	No.	You can see the <a href="#">Specialist</a> you choose without a <a href="#">Referral</a> .

All [copayments](#) and [Cost Sharing](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
