

Rightway Preventive Drug List. (HDHP-HSA)

A large blue graphic consisting of a vertical line on the right side of the page, with a horizontal segment at the top and a curved arrow pointing left towards the title.

Revision Number: 01.01.2026

Last Update: October 2025

Preventive drugs are products that may keep you healthy because they may prevent illness and other health conditions. This list provides examples of commonly prescribed preventive medications but is not all-inclusive. Inclusion of a medication on this list does not guarantee coverage. Please check with your plan administrator and/or benefit information materials for more information on coverage. Cost share is determined by your plan's drug coverage.
